**RE: INC 105 - April 20, 2009, Reclamation of Carrier Identification Codes (CICs)**

**Carrier Identification Codes (CICs):**

After review of recent access/usage reports provided to NANPA by local exchange carriers, it has come to our attention that some entities have no FGB usage or FGD access (no activity) associated with the CICs assigned to them. In these cases, letters have been sent to the address of record for each of these assignees via Fed Ex or USPS Priority Mail, advising them that in accordance with the CIC assignment guidelines they must advise NANPA within 60 days as to where their usage/access service has been established.

Recently 2 (two) of these letters sent to assignees have been returned to NANPA by Fed Ex or the USPS as undeliverable, marked "Addressee Unknown", "Moved, Left No Address", "Company Out of Business", etc. According to terms set forth in Section 6.2, "Administrator Responsibility", of the CIC Assignment Guidelines, NANPA is to notify INC when these circumstances occur, and also to advise INC that these CICs will be reclaimed unless INC advises otherwise within 30 days. I have provided a listing below of one assignee with their address of record in NANPA's database, and the 2 (two) associated CICs.

If you have any questions, please contact me at Tel. 830-632-5979, by Fax at 208-694-5329 or by e-mail at [nancy.fears@neustar.biz](mailto:nancy.fears@neustar.biz). Thank you.

Sincerely,
