RE: INC 173 (February 2021) – Reclamation of Carrier Identification Codes (CICs)

Dyan and Allyson,

After review of recent access/usage reports provided to NANPA by local exchange carriers, it has come to our attention that there is no FGB usage or FGD access (no activity) associated with the CIC assigned to these entities. In this case, letters have been sent to the address of record for this assignees where an address is known, advising them that in accordance with the CIC Assignment Guidelines, they must advise NANPA within 60 days as to where their usage/access service has been established.

According to terms set forth in Section 6.2, “Administrator Responsibility”, of the CIC Assignment Guidelines, NANPA is to notify INC when these circumstances occur, and also to advise INC that the CICs will be reclaimed unless INC advises otherwise within 30 days. The last known address of the CIC assignees on record in NAS has been provided within this letter, as well as the associated CIC assignment.

Sincerely,

NANPA  
2411 Dulles Corner Park, Suite 250  
Herndon, VA 20171
