**RE: INC Interim General Session - September 15, 2008
Reclamation of 5YY-NXX and Carrier Identification Codes (CICs)**

5YY-NXX:

After review of recent NRUF reports submitted to NANPA, it has come to our attention that some assignees have not filed the required NRUF report necessary to retain their 5YY-NXX assignments. Letters were sent to the address of record for the assignees via Fed Ex or USPS Priority Mail, advising them of their obligation to submit NRUF utilization reports to verify that their assignments are in use in accordance with the PCS 5YY NXX Code Assignment Guidelines.

Recently two (2) of these letters sent to the assignees have been returned to NANPA by Fed Ex or the USPS as undeliverable, marked “Addressee Unknown”, “Moved, Left No Address”, “Company Out of Business”, etc. According to terms set forth in Section 7.2, “Administrator Responsibility”, of the PCS 5YY NXX Code Assignment Guidelines, NANPA is to notify INC when these circumstances occur, and also to advise INC that these 5YY-NXX codes will be reclaimed unless INC advises otherwise within 30 days. These 5YY-NXX assignments are currently reflected in NANPA’s 5YY-NXX database with no contact information, and are included on the attached listing for INC’s determination as to reclamation.

Carrier Identification Codes (CICs):

After review of recent access/usage reports provided to NANPA by local exchange carriers, it has come to our attention that some entities have no FGB usage or FGD access (no activity) associated with the CICs assigned to them. In these cases, letters have been sent to the address of record for each of these assignees via Fed Ex or USPS Priority Mail, advising them that in accordance with the CIC assignment guidelines they must advise NANPA within 60 days as to where their usage/access service has been established.

Recently three (3) of these letters sent to assignees have been returned to NANPA by Fed Ex or the USPS as undeliverable, marked “Addressee Unknown”, “Moved, Left No Address”, “Company Out of Business”, etc. According to terms set forth in Section 6.2,

“Administrator Responsibility”, of the CIC Assignment Guidelines, NANPA is to notify INC when these circumstances occur, and also to advise INC that these CICs will be reclaimed unless INC advises otherwise within 30 days. I have attached a listing of each assignee with their address of record in NANPA’s database, and the associated CIC.
